Subject: IDF Europe Youth Leadership Camp, 10-16th July 2017, Faget, Romania

Dear Members,

The Youth Leadership Camp (YLC) is one of IDF Europe key initiatives organized in close collaboration with Member Associations. It is a unique opportunity for young people actively engaged with their Association to improve their leadership skills and to learn about advocacy through IDF Europe activities.

We are happy to inform you that the 7th edition of the YLC will be held on July 10th-16th in Faget, Romania (*web link for more information*). We thank the Societatea Romana de Diabet, Nutritie si Boli Metabolice for hosting it!

Your role in supporting candidates from your country is essential to identify a new generation of young leaders committed to improve the life of people with diabetes at the national and European level.

We therefore encourage you to invite candidates from your Association to submit their application to the 2017 Youth Leadership Camp. Candidates are requested to fill in application form online (<https://www.surveymonkey.com/r/IDFEYLC2017>) and to send a letter of support from their Diabetes Association to ylc@idf-europe.org by April 24, 2017.

As in previous years, applications will be carefully reviewed by a Selection Committee and 24 young adults aged 18-30 will be invited to participate in the YLC. Notifications will be sent early May.

Travel and accommodation costs will be covered by IDF Europe; participants are responsible to be fully insured for healthcare and travel. Candidates should have a good command of the English language (comprehension and speaking), as all sessions and activities will be conducted in English.

We look forward to receiving applications from young and active members from your Association.

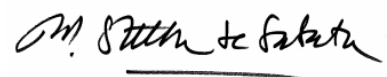

With kind regards,

Prof Dr Sehnaz Karadeniz
